

Claim your session on a Private Health Fund

TUESDAY 26 JULY 2011

Hi {tag_recipientfirstname},

Yes, my hypnotherapy sessions now attract rebates.

As of 29 May, any hypnotherapy session with me, Roland James, became eligible for claim through Medical Insurance. That means that if you've had a session after that time and haven't claimed, you still can. And, of course, you can claim for any future sessions as well. {tag_pagecontent}
